

## Sylomer W Dark Grey

Static load limit = 0.7 lb/sq in

operating load range  
(static+dynam loads) = 1.1 lb/sq in  
Load peaks (short term loads) = 43.5 lb/sq in

## Sylomer G YELLOW

Static load limit = 1.5 lb/sq in

operating load range  
(static+dynam loads) = 2.2 lb/sq in  
Load peaks (short term loads) = 72.5 lb/sq in

## Sylomer O Orange

Static load limit = 2.3 lb/sq in

operating load range  
(static+dynam loads) = 3.6 lb/sq in  
Load peaks (short term loads) = 108.8 lb/sq in

## Sylomer R Blue

Static load limit = 3.6 lb/sq in

operating load range  
(static+dynam loads) = 5.1 lb/sq in  
Load peaks (short term loads) = 145.0 lb/sq in

## Sylomer L Green

Static load limit = 7.3 lb/sq in

operating load range  
(static+dynam loads) = 11.6 lb/sq in  
Load peaks (short term loads) = 290.1 lb/sq in

## Sylomer M Brown

Static load limit = 14.5 lb/sq in

operating load range  
(static+dynam loads) = 21.8 lb/sq in  
Load peaks (short term loads) = 435.1 lb/sq in

## Sylomer P Red

Static load limit = 29.0 lb/sq in

operating load range  
(static+dynam loads) = 43.5 lb/sq in  
Load peaks (short term loads) = 580.2 lb/sq in

## Sylomer V Grey

Static load limit = 58.0 lb/sq in

operating load range  
(static+dynam loads) = 87.0 lb/sq in  
Load peaks (short term loads) = 725.2 lb/sq in

## Sylomer T Turquoise

Static load limit = 116.0 lb/sq in

operating load range  
(static+dynam loads) = 174.0 lb/sq in  
Load peaks (short term loads) = 870.2 lb/sq in
